Subject: Transcontinental Digital Services - We're pulling for you

Dear Sir

TRANSCONTINENTAL DIGITAL SERVICES

BONUS

We know you're busy.

You have too many projects to manage and you're short on time and resources. You have to deal with several different suppliers for every job. You're responsible for managing creation, production, approval, workflow... the list goes on and on.

Bottom line: You're spread pretty thin and your team may not have the expertise for these critical roles.

So where do you turn? Transcontinental Digital Services.

Transcontinental can provide you with all the premedia services you need—production, photography, proofing—from **ONE** location. We also have the expertise to help you manage every project from concept to delivery. We're pulling for you!

1. WORKFLOW OPTIMIZATION

Transcontinental provides a full creative and proofing cycle analysis to help you streamline your workflow.

2. PROJECT MANAGEMENT

Our team manages your project from concept to delivery, so you can focus on your core business.

3. ASSET MANAGEMENT

Transcontinental also offers **The Vault**, a Web-based management tool that assists in storing, retrieving, consulting and repurposing your digital assets.

**TRANSCONTINENTAL IS PULLING TO HELP
SAVE YOU TIME AND MONEY**

Let's talk about how Transcontinental can help you manage your communications and pull you in the right direction.
